DEVELOPMENT REVIEW/FLOODPLAIN PERMIT APPLICATION

PERMIT # -----

Instructions: Submit this form with the applicable administrative fee(s) along with any additional information to the Village Planning & Zoning Administrator/Officer.

IF APPROVED, THIS DEVELOPMENT REVIEW/FLOODPLAIN PERMIT APPLICATION DOES NOT GIVE THE APPLICANT PERMISSION TO BEGIN CONSTRUCTION UNTIL THE APPLICANT HAS OBTAINED A BUILDING PERMIT FROM THE NEW MEXICO CONSTRUCTION INDUSTRIES DIVISION AND SUBMITTED A COPY TO THE VILLAGE PLANNING & ZONING ADMINISTRATOR/OFFICER.

Section 1:General Provisions. (Applicant to read and sign.)

1. This permit may be revoked if any false statements are made herein.
2. If this permit is revoked, all work must cease until the permit(s) are reissued.
3. This permit expires within 6 (six) months from the date of issuance if there has been no work started.
4. Applicant is hereby informed that other permits may be required to fulfill local, county, state and federal requirements.

5. Applicant hereby gives consent to the Local Administrator or his/her designee to make reasonable inspections required to verify compliance.
6. All solid waste disposal for the Village of Bosque Farms is contracted through Waste Management. The applicant is required to use Waste Management as their solid waste hauler.
7. The address must be affixed to the property within 48 (forty-eight) hours after this permit has been issued.
8. All development plans must include a drainage plan, showing water will be retained on the property.
9. For all Residential Construction and Substantially Improved Residential Construction, the applicant is required to submit 2 (two) Elevation Certificates to the Planning & Zoning Department:
 1. One (1) **BEFORE** construction begins; and
 2. One (1) **AFTER** the lowest floor of the structure has been completed or when the manufactured home installation has been completed.

I, THE APPLICANT, DO HEREBY CERTIFY that the statements and attachments herein to this application are true, and correct to the best of my knowledge.

Section 4. Permit Determination. (To be completed by Local Administrator.)

I have determined that the proposed activity **is in compliance** with the Village Flood Hazard Prevention Ordinance, 11-1. This permit is issued subject to the conditions attached to and made a part of this permit.

Restrictions, if any.

I have determined that the proposed activity is not in compliance with the Village Flood Hazard Prevention Ordinance, 11-1.

* Applicant may revise and resubmit an application to the Planning & Zoning Department or may request a hearing from the Board of Appeals.

Section 5. As-Built Elevations. (To be submitted by APPLICANT before Certificate of Compliance has been issued.)

The following information must be provided for project structures:

Elevation Certificate indicating actual (As-Built) elevation of the top of the lowest floor, including basement. (Required for all residential and commercial construction.)

Elevation Certificate indicating actual (As-Built) Elevation of flood-proofing protection. (Required for all non-residential and commercial construction.)

* Note: Any work performed prior to the submittal of the above information is at the risk of the Applicant.
