Subject: VACATIONS

The weather is warming up and it is almost time for summer vacations. With that, hopefully you are safe on your adventures.

When you leave your home this summer, we wanted to remind you of some safety tips.

1. Stop in at the Police Department and complete an out-of-town form so our Community Watch Volunteers can help us keep an eye on your home.
2. Keep lights on a timer inside your home.
3. Don't advertise your vacation. There are many security features on Face Book, however, they can be defeated as well. Wait to post your adventure until you return.
4. Have someone retrieve your mail and newspapers.

We want everyone to have a safe and adventurous summer this year.

Remember to drive safe and sober when traveling. We want all of our community to enjoy this warm weather while being safe and healthy.

Any questions or concerns you may have, please call our office at 869-2358. Should you require to speak with an officer, call Central Dispatch at **865-9130**. If it is an emergency, call 911 for the best response time of an officer.
