Subject: Halloween Safety

Its October and time for children to get dressed up in the best costumes their imaginations can dream. Halloween is on a Saturday this year and we all know with school being on-line, they will be out walking around in our community.

BFPD will be out on the streets to monitor the pedestrian traffic. We want to remind everyone to be ever mindful of our children that will be walking door to door looking for the best candies in the Village. When you are driving, please slow down on the residential streets and make sure that you use your headlights when it starts to get dark. You will be able to see the pedestrians better.

Parents, please have your children wear something reflective and/or some glow sticks on their costume to be more visible. You might be able to implement the visibility items into the costume.

When you patronize a business, remove the costume mask when you enter. The costume mask can make the employees uncomfortable and most businesses require you to remove the costume mask.

For the party goers, remember to drive safe and sober. Officers will definitely be out and looking to keep our streets safe from impaired drivers.

The Bosque Farms Police Department wants everyone to have a happy and safe Halloween. This is the beginning of the holiday season.

Any questions or concerns you may have, please call our office at 869-2358. Should you require to speak with an officer, call Central Dispatch at 869-9130. If it is an emergency, call 911 for the best response time of an officer.
