contract claim against the State of New Mexico in the event of Early Termination of this Agreement.

- b. As used herein, "non-appropriate" or "non-appropriation" includes the following actions by the New Mexico Legislature:
 - i. Deauthorization, reauthorization, or revocation of a prior authorization.

C. Grant Disbursements in the Event of Early Termination. In the event of Early Termination, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II above.

D. Notice. Either Party may terminate this Agreement prior to the Reversion Date by providing the other Party with a minimum of fifteen (15) days advance written notice of the Early Termination. Grantee hereby waives any rights to assert an impairment of contract claim against the State of New Mexico in the event of Early Termination of this Agreement by the Department.

If the Suspension is lifted, the Department will consider further requests for a Notice of Obligation.

D. Corrective Action Plan in the Event of Suspension. Where the Department, in its sole and absolute discretion, directs Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension.

- b. Additionally, Grantee shall certify on each Request for Payment form, attached hereto as **Exhibit A** and incorporated herein, that all information provided in the database is true and accurate, updates to the database have been maintained, and all Project activity complies with applicable law and the terms of this Agreement.
- c. Grantee hereby acknowledges that failure to perform and/or certify updates to the database will jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of fourteen (14) days' advance written notice of any changes to the information the Grantee is required to report.
- d. At the Department's discretion, all reports required hereunder may be directed to and facilitated through an electronic database.
- e. Quarterly reports shall be due on the last day of the month, that is, 30 days prior to the end of the quarter following the execution of this Agreement by the Department and ending during the quarter of the submission of the final request for reimbursement for the Project, or the following quarter.

During the term of this Agreement and during the period of time during which the Grantee must maintain records pursuant to Article VIII, the Department may:

- i. request such additional information regarding the Project as it deems necessary; and
- ii. conduct, at reasonable times and upon reasonable notice, onsite inspections of the Project.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

B. Requests for Additional Information/Project Inspection

- a. During the term of this Agreement and the Record Retention Period, the Department may:
 - i. Request additional information regarding the Project as it deems necessary and
 - ii. Conduct on-site inspections of the Project at reasonable times and upon reasonable notice.

- ii. However, Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
- iii. The Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or in a shorter period than the Department may prescribe in writing.
- iv. The Department reserves the right to make such payments directly to the contractors or vendors as a special condition under this Agreement.
- v. The Grantee is required to certify to the Department proof of payment to the third-party contractor or vendor within five (5) business days from the date the Department reimburses the Grantee.

B. Until the Project is fully planned, designed, and all necessary procurements identified in the Project Budget are completed, Grantee's reimbursements will be limited to the planning, design, and procurement costs outlined in the Project Budget. Once the planning, designing, and procuring stages are complete, the Grantee must obligate at least ten percent (10%) of the Adjusted Appropriation Amount within one (1) year and must have utilized at least eighty-five percent (85%) of the Adjusted Appropriation Amount six (6) months before the reversion date.

C. Deadlines. Grantee shall submit requests for Payments to the Department on the earlier of:

 - i. In addition to other remedies available at law or in equity, any disposal or conversion of property acquired, built, renovated, repaired, designed, or developed with Project funds without the Department's and the Board of Finance's express written approval will trigger the Department's right to reimbursement from Grantee of the Appropriated Amount, transfer proceeds from any disposition of property to the State, or otherwise provide consideration to the State for the Appropriated Amounts.
- f. Grantee shall comply with all applicable federal and state laws, rules, and regulations pertaining to civil rights and equal employment opportunity.

GRANTEE: Village of Bosque Farms

PROJECT NO: SAP 25-J2484-GF

Please provide a comprehensive procurement plan and expenditure plan, detailing a Project timeline with milestones, required procurements, and identifying expected expenditures per milestone, referred to collectively as the "Project Budget." While it can be difficult to estimate costs and timelines, setting a plan for these can help keep realistic expectations and goals to keep a project moving forward to achieve the project scope and objectives. Contact your NMED-CPB Project Manager with questions.

- 1) **Expenditure Plan.** Indicate what expenses funding will be used.

Detailed Expenditure Plan		
USES OF FUNDS	NMED PROGRAM	OTHER FUNDS
Engineer Fees		
Other Professional

Describe how you will secure CPO services, if you currently do not have a CPO. _____

Professional Services

Have engineering or professional services already been procured and contracted? _____

If not, describe how you will procure engineering or professional services _____

Reminders:

- COSTS ABOVE \$60,000, require solicitation of services via a Request for Proposal (RFP).
- COSTS BELOW \$60,000 must adhere to 13-1-125 NMSA 1978 and procurements cannot be artificially divided into smaller units to circumvent legal requirements, such as formal solicitation.

Upon execution of the grant agreement, the Grantee will follow the procedures listed below unless waived in writing by the New Mexico Environment Department (NMED) (payment may be withheld if any of these procedures are not followed by the Grantee).

- A. The Grantee must submit copies to NMED of all unexecuted contracts or quotes the Grantee intends to enter in that are related to the project for the creation of a notice of obligation. Only approved eligible expenditures incurred after the effective date of the Grant Agreement shall be reimbursed or paid from these funds.
- B. If grant funds are used for construction, a site certificate must be submitted prior to project bid advertisement that certifies all necessary easements, rights-of-way, and/or property upon or through which the project is being constructed have been obtained. The Site Certificate must be signed by an attorney, engineer, surveyor, or title abstractor.
- C. If grant funds are used for meter installation, the Grantee must follow the NMED Guidelines for Meter Upgrade Projects. Meters must be installed before payment can be made. Request a copy of the Guidelines from your NMED Project Manager.
- D. If grant funds are used for construction, the Grantee will submit notice of the award and a copy of the executed construction contract documents.

- F. All daily construction inspection reports shall be made available to the NMED upon request.
- G. Notwithstanding the inspections performed by the Grantee and its engineer, NMED will have the right to examine all installations comprising the project, including materials delivered and stored on-site for use on the project. Such examinations will not be considered an inspection for compliance with contract plans but will be a general NMED review as described in Article 2 below.

ARTICLE 2 NMED OVERSIGHT

NMED oversight is only for purposes of compliance with applicable state grant requirements, procedures, statutes, and regulations. NMED approval will not be interpreted as a warranty or guarantee of any kind. Responsibility for the design of the project will lie solely with the engineer of record. All defects and their correction will be the responsibility of the Grantee and its contractors and engineers or consultants. Any questions raised by NMED during its inspections and reviews shall be resolved exclusively by the Grantee. The Grantee and its contractors and engineers or consultants will remain responsible for the completion and success of the project. No action by NMED shall relieve the owner, engineer, or contractor of legal responsibilities for the overall integrity of the project, adequacy of the design, safety, or compliance with all applicable regulations.

ARTICLE 3 CLOSEOUT

 - v. Certification letter by the Grantee and contractor that the Labor Standards Contract Provisions have been met.
 - vi. Certification letter of project acceptance by the Grantee and the Grantee's project engineer stating that work has been satisfactorily completed and the construction contractor has fulfilled all of the obligations required under the contract documents with the Grantee, or if payment and materials performance bonds are "called", an acceptance close-out settlement to the Grantee and contractors will be submitted to NMED.
 - vii. Certification letter from the Grantee confirming receipt and acceptance of the record drawings and operation and maintenance manuals.

- B. Non-appropriation. This Agreement is expressly contingent upon the New Mexico State Legislature making sufficient appropriations and authorizations for the Project Description.

- a. If the Legislature does not appropriate the Appropriation Amount, this Agreement shall terminate upon the Department giving the Grantee written notice of such termination. Such termination shall be effective as of the effective date of the law making the non-appropriation.
 - i. The Department's decision as to whether sufficient appropriations or authorizations are available shall be final. Grantee hereby waives any rights to assert an impairment of contract claim against the State of New Mexico in the event of Early Termination of this Agreement.

Grantee hereby waives any rights to assert an impairment of contract claim against the State of New Mexico in the event of Early Termination of this Agreement by the Department.

VI. SUSPENSION OF NEW OR FURTHER OBLIGATIONS

 - c. Department may direct the Grantee to implement a corrective action plan in accordance with Article VI (D) herein.
- B. In the event of Suspension of this Agreement, the Department's sole and absolute obligation to reimburse the Grantee is expressly conditioned upon the limitations set forth in Article II herein.

A suspension of new or further obligations under this Agreement shall remain in effect unless or until the date the Grantee receives written notice given by the Department informing the Grantee that the Suspension has been lifted or that the Agreement has been Early Terminated in accordance with Article V herein. If the Suspension is lifted, the Department will consider further requests for a Notice of Obligation.
- D. Corrective Action Plan in the Event of Suspension. Where the Department, in its sole and absolute discretion, directs Grantee to suspend entering into new or further written obligations with third parties pursuant to Article VI(A), the Department may, but is not obligated to, require the Grantee to develop and implement a written corrective action plan to remedy the grounds for the Suspension.

- b. Additionally, Grantee shall certify on each Request for Payment form, attached hereto as **Exhibit A** and incorporated herein, that all information provided in the database is true and accurate, updates to the database have been maintained, and all Project activity complies with applicable law and the terms of this Agreement.
- c. Grantee hereby acknowledges that failure to perform and/or certify updates to the database will jeopardize the reimbursement of funds. The Department shall give Grantee a minimum of fourteen (14) days' advance written notice of any changes to the information the Grantee is required to report.
- d. At the Department's discretion, all reports required hereunder may be directed to and facilitated through an electronic database.
- e. Quarterly reports shall be due on the last day of the month, that is, 30 days prior to the end of the quarter following the execution of this Agreement by the Department and ending during the quarter of the submission of the final request for reimbursement for the Project, or the following quarter.

Grantee shall respond to such requests for additional information within a reasonable period of time, as established by the Department.

 - ii. However, Grantee may be reimbursed for unpaid liabilities only if the Department, in its sole and absolute discretion, agrees to do so and in accordance with any special conditions imposed by the Department.
 - iii. The Grantee shall make payment to those contractors or vendors within five (5) business days from the date of receiving reimbursement from the Department or in a shorter period than the Department may prescribe in writing.
 - iv. The Department reserves the right to make such payments directly to the contractors or vendors as a special condition under this Agreement.
 - v. The Grantee is required to certify to the Department proof of payment to the third-party contractor or vendor within five (5) business days from the date the Department reimburses the Grantee.

B. Until the Project is fully planned, designed, and all necessary procurements identified in the Project Budget are completed, Grantee's reimbursements will be limited to the planning, design, and procurement costs outlined in the Project Budget. Once the planning, designing, and procuring stages are complete, the Grantee must obligate at least ten percent (10%) of the Adjusted Appropriation Amount within one (1) year and must have utilized at least eighty-five percent (85%) of the Adjusted Appropriation Amount six (6) months before the reversion date.

 - i. In addition to other remedies available at law or in equity, any disposal or conversion of property acquired, built, renovated, repaired, designed, or developed with Project funds without the Department's and the Board of Finance's express written approval will trigger the Department's right to reimbursement from Grantee of the Appropriated Amount, transfer proceeds from any disposition of property to the State, or otherwise provide consideration to the State for the Appropriated Amounts.

XIII. IMPROPERLY REIMBURSED FUNDS

If the Department determines part or all of the Appropriation Amount was improperly reimbursed to Grantee, including but not limited to funds reimbursed to Grantee based upon fraud, mismanagement, misrepresentation, misuse, violation of law by the Grantee, after ten (10) days' notice to Grantee and the opportunity to return such funds to the Department, the Department may offset any funds due to Grantee from the State, until the Appropriation Amount is fully repaid.

XIV. LIABILITY

Neither Party shall be responsible for liability incurred as a result of the other Party's acts or omissions in connection with this Agreement. Any liability incurred in connection with this Agreement is subject to immunities and limitations of the New Mexico Tort Claims Act.

Please provide a comprehensive procurement plan and expenditure plan, detailing a Project timeline with milestones, required procurements, and identifying expected expenditures per milestone, referred to collectively as the "Project Budget." While it can be difficult to estimate costs and timelines, setting a plan for these can help keep realistic expectations and goals to keep a project moving forward to achieve the project scope and objectives. Contact your NMED-CPB Project Manager with questions.

- 1) **Expenditure Plan.** Indicate what expenses funding will be used.

ARTICLE 1 REVIEW

Upon execution of the grant agreement, the Grantee will follow the procedures listed below unless waived in writing by the New Mexico Environment Department (NMED) (payment may be withheld if any of these procedures are not followed by the Grantee).

- A. The Grantee must submit copies to NMED of all unexecuted contracts or quotes the Grantee intends to enter in that are related to the project for the creation of a notice of obligation. Only approved eligible expenditures incurred after the effective date of the Grant Agreement shall be reimbursed or paid from these funds.

If grant funds are used for construction, a site certificate must be submitted prior to project bid advertisement that certifies all necessary easements, rights-of-way, and/or property upon or through which the project is being constructed have been obtained. The Site Certificate must be signed by an attorney, engineer, surveyor, or title abstractor.

- F. All daily construction inspection reports shall be made available to the NMED upon request.
- G. Notwithstanding the inspections performed by the Grantee and its engineer, NMED will have the right to examine all installations comprising the project, including materials delivered and stored on-site for use on the project. Such examinations will not be considered an inspection for compliance with contract plans but will be a general NMED review as described in Article 2 below.

ARTICLE 2 NMED OVERSIGHT

NMED oversight is only for purposes of compliance with applicable state grant requirements, procedures, statutes, and regulations. NMED approval will not be interpreted as a warranty or guarantee of any kind. Responsibility for the design of the project will lie solely with the engineer of record. All defects and their correction will be the responsibility of the Grantee and its contractors and engineers or consultants. Any questions raised by NMED during its inspections and reviews shall be resolved exclusively by the Grantee. The Grantee and its contractors and engineers or consultants will remain responsible for the completion and success of the project. No action by NMED shall relieve the owner, engineer, or contractor of legal responsibilities for the overall integrity of the project, adequacy of the design, safety, or compliance with all applicable regulations.

 - iii. A written consent of the surety, if any, to final payment.
 - iv. In lieu thereof and as approved by the Grantee, contractor(s) may furnish receipts or releases in full; an affidavit of contractor that the releases and receipts include labor, services, materials, and equipment for which a lien could be filed and that all payrolls, material and equipment bills, and other indebtedness connected with the work for which the Grantee or its property might in any way be responsible, have been paid or otherwise satisfied.
 - v. Certification letter by the Grantee and contractor that the Labor Standards Contract Provisions have been met.
 - vi. Certification letter of project acceptance by the Grantee and the Grantee's project engineer stating that work has been satisfactorily completed and the construction contractor has fulfilled all of the obligations required under the contract documents with the Grantee, or if payment and materials performance bonds are "called", an acceptance close-out settlement to the Grantee and contractors will be submitted to NMED.
 - vii. Certification letter from the Grantee confirming receipt and acceptance of the record drawings and operation and maintenance manuals.

RESOLUTION No. 1088-26

**A RESOLUTION OF THE VILLAGE OF
BOSQUE FARMS, NEW MEXICO**

WHEREAS, on March 11, 2025, the Town of Peralta PASSED, ADOPTED, and APPROVED Resolution No. 2025-10 indicating that the Town “desires to seek annexation of its Community Center”. A copy of the Resolution is attached hereto; and

WHEREAS, the Resolution cited NMSA 1978, § 3-7-4 as support for the proposition that “with consent of a relinquishing political subdivision, a territory owned by a political subdivision (municipality) of New Mexico, may be annexed to another political subdivision (municipality) upon the consent of the authorized agent of the relinquishing political subdivision (municipality) of New Mexico”; and

WHEREAS, the Town of Peralta owns in fee simple title the real estate and building otherwise known as the “Town of Peralta Community Center,” 2500 Bosque Boulevard, Village of Bosque Farms, 87068 and located wholly within the incorporated boundaries of the Village of Bosque Farms; and

WHEREAS, NMSA 1978, § 3-7-1 provides that “[t]here shall be three methods of annexing territory to a municipality” to include, arbitration, boundary commission, and petition. “The provisions of this section apply to annexations of all municipalities except those that are otherwise specifically provided by law.” NMSA 1978 § 3-7-1; and

WHEREAS, Sections 3-7-3 and 3-7-4 impose limitations on the annexation power; and

WHEREAS, Section 3-7-4 provides that “Territory owned by the government of the United States, its instrumentalities, the state of New Mexico or a political subdivision of New Mexico, may be annexed to a municipality upon the consent of the authorized agent of the government of the United States, its instrumentalities, the state of New Mexico or a political subdivision of New Mexico”; and

WHEREAS, Section 3-7-4 does not apply in the case of Peralta’s annexation of property owned by Peralta because Peralta would not be attempting to annex territory owned by Bosque Farms; and

WHEREAS, regardless §§ 3-7-3 and 4 do not override the other annexation provisions, but instead are additional limitations—not independent methods of annexation, see e.g. *Town of Edgewood v. State Municipal Boundary Comm’n*, 2013-NMCA-047; and

WHEREAS, to annex its community center, Peralta would have to employ one of the three methods of annexation as set out in NMSA 1978, § 3-7-1.

WHEREAS, as a good faith gesture, the Town of Peralta Council is willing to execute a memorandum of understanding to fully assume responsibility for the maintenance of the entire distance of Peralta Drive, including the portion within the boundary of the Village of Bosque Farms village limits.

NOW, THEREFORE BE IT RESOLVED by the Village Council of the Village of Bosque Farms, that it has no objection to Peralta pursuing annexation of its Community Center in accordance with NMSA 1978, § 3-7-1.

BE IT FURTHER RESOLVED that the Village Council would consider executing an MOU allowing Peralta to fully assume responsibility for the maintenance of Peralta Drive.

MEMORANDUM OPINION

To: Town of Peralta, Mayor and Town Councilors
From: Steven M. Chavez, Town Attorney
Re: Political Subdivisions and NMSA, 1978, § 3-7-4(A)

Because municipalities are not expressly listed in NMSA, 1978, § 3-7-4(A) as it applies to annexation, I have been asked to provide a legal opinion whether it is applicable to municipalities. As briefly explained below, the statute is applicable to municipalities and municipalities are considered to be political subdivisions of the State of New Mexico.

First, NMSA, 1978, § 3-7-4(A) states in relevant part under subsection A, the following:

A. Territory owned by the government of the United States, its instrumentalities, the state of New Mexico or a political subdivision of New Mexico, may be annexed to a municipality upon the consent of the authorized agent of the government of the United States, its instrumentalities, the state of New Mexico or a political subdivision of New Mexico.

This statute language essentially allows municipalities to annex a "territory" of a "political subdivision" of the State if that political subdivision *consents*. The New Mexico Supreme Court has held that a municipality is a political subdivision.

Under the New Mexico Supreme Court case of *City of Albuquerque v. Campbell*, 1960-NMSC-138, the Court held that the New Mexico State Legislature intended for the term "political subdivision" to include duly created municipalities under the jurisdiction of the State.

Accordingly, under the above stated statute, if, for example, the Village of Bosque Farms consents to the Town of Peralta annexing land in the Village of Bosque Farms (or *vice versa*), the above referenced statute allows the annexation. The principal requirement is that the annexation be done with the *consent* of the affected municipality who otherwise has jurisdiction of the land. Without either municipalities' consent, the annexation cannot occur.

Please call me if you have any questions. Thank you.

Sincerely,

CHAVEZ LAW FIRM, P.C.

MEMORANDUM OPINION

To: Town of Peralta, Mayor and Town Councilors
From: Steven M. Chavez, Town Attorney
Re: Political Subdivisions and NMSA, 1978, § 3-7-4(A)

Because municipalities are not expressly listed in NMSA, 1978, § 3-7-4(A) as it applies to annexation, I have been asked to provide a legal opinion whether it is applicable to municipalities. As briefly explained below, the statute is applicable to municipalities and municipalities are considered to be political subdivisions of the State of New Mexico.

First, NMSA, 1978, § 3-7-4(A) states in relevant part under subsection A, the following:

A. Territory owned by the government of the United States, its instrumentalities, the state of New Mexico or a political subdivision of New Mexico, may be annexed to a municipality upon the consent of the authorized agent of the government of the United States, its instrumentalities, the state of New Mexico or a political subdivision of New Mexico.

This statute language essentially allows municipalities to annex a "territory" of a "political subdivision" of the State if that political subdivision *consents*. The New Mexico Supreme Court has held that a municipality is a political subdivision.

Under the New Mexico Supreme Court case of *City of Albuquerque v. Campbell*, 1960-NMSC-138, the Court held that the New Mexico State Legislature intended for the term "political subdivision" to include duly created municipalities under the jurisdiction of the State.

Accordingly, under the above stated statute, if, for example, the Village of Bosque Farms consents to the Town of Peralta annexing land in the Village of Bosque Farms (or *vice versa*), the above referenced statute allows the annexation. The principal requirement is that the annexation be done with the *consent* of the affected municipality who otherwise has jurisdiction of the land. Without either municipalities' consent, the annexation cannot occur.

Please call me if you have any questions. Thank you.

ANNEXATION

GENERAL

Annexation is the legal method of expanding the municipal boundaries, making the incorporated municipal land area larger. The general annexation statutes (§§ 3-7-1 through 3-7-18), which apply to all municipalities except those in a class A county, provide for three methods of annexation:

1. the petition method (§ 3-7-17);
2. the arbitration method (§ 3-7-5 through 3-7-10);
3. the Municipal Boundary Commission method (§ 3-7-11 through 3-7-16) .

Under each method, the territory being annexed must not be within the boundary of another municipality (§ 3-7-3). With one exception, the territory must also be contiguous to (directly adjoining) the municipality annexing it (§§ 3-7-5, 3-7-15, and 3-7-17). The one exception to the contiguity requirement is that territory which is separated from the municipal boundary only by land owned by the federal government, the state, or a political subdivision of the state may be annexed along with the federal, state, or political subdivision land if the government owning the intervening land consents to the annexation (§ 3-7-4).

All annexations must include any streets located along the boundary of the territory being annexed (§ 3-7-18).

The main difference between the three methods is that, under the petition method, the governing body makes the decision; under the other two methods, another body makes the decision based, in part, on whether the municipality can provide municipal services (such as police and fire protection, utility services, etc.) to the proposed territory immediately or "within a reasonable time." There is no definition of either the services which must be provided or what is a reasonable time, so the Board of Arbitration or the Municipal Boundary Commission has broad latitude in making its decision.

If a municipality is districted for elections, it is helpful to include the election district(s) for the territory that is being annexed.

Municipal departments should be notified of all annexations, as they may need to include the new territory in their service plans. Some of the departments that need to be notified of new city boundaries include: Police, Fire, Water, Wastewater, Solid Waste, Recreation, Library and Municipal Court.

PETITION METHOD

The petition method of annexation may be used only by the owners of land within the territory proposed to be annexed (§ 3-7-17). A petition signed by the owners of a majority of the number of acres in the territory proposed to be annexed, and accompanied by a map showing the external boundary of the territory and its relationship to the existing municipal boundary, is presented to the municipal governing body. The governing body either annexes the territory by ordinance or rejects the annexation by ordinance. If the governing body annexes the territory, a copy of the ordinance with a plat of the annexed territory is filed in the office of the County Clerk. Copies are also sent to the Secretary of Finance and Administration and the Secretary of Taxation and Revenue.

Within 30 days after the filing of the copy of the annexation ordinance in the office of the County Clerk, any person owning land within the annexed territory may appeal to the district court questioning the validity of the annexation proceedings. (The statute does not state any recourse if the annexation is rejected. However, there appears to be nothing to prevent the landowners from filing a petition with the Municipal Boundary Commission).

ARBITRATION METHOD (§§ 3-7-5 through 3-7-10)

The arbitration method of annexation may be used only by the municipality. In this method, the actual decision to annex or not to annex is made by a seven-member Board of Arbitration: three members representing the territory proposed to be annexed, three members representing the municipality proposing the annexation, and a seventh member who represents neither party and does not live in the municipality or the territory under consideration. The municipality begins by adopting a resolution of intent to annex and files the resolution with the County Clerk. The three members representing the territory are elected in a special election conducted by the County Clerk (§ 3-7-7); the three members representing the municipality are appointed by the governing body (§ 3-7-8); and together the six members meet to select the seventh member (§ 3-7-9).

The final determination of the Board of Arbitration must be certified within sixty (60) days of the selection of the seventh member (§ 3-7-10).

If the Board of Arbitration decides that all or part of the territory should be annexed, it notifies the Municipal Clerk and the County Clerk, and the municipal governing body passes an ordinance making the annexation approved by the Board. If the Board decides the territory should not be annexed, the municipality may not file a new resolution to annex that territory until two years have passed. However, the municipality may try to get the same territory annexed by petitioning the Municipal Boundary Commission to decide the question.

MUNICIPAL BOUNDARY COMMISSION METHOD (§§ 3-7-11 through 3-7-16)

The Municipal Boundary Commission method of annexation may be used either by the municipality or by landowners of the territory proposed to be annexed. After receipt of a petition, as authorized in § 3-7-11, the Municipal Boundary Commission will meet within 60 days, in the municipality where the annexation is proposed. The Municipal Boundary Commission consists of three members appointed by the governor and is contacted through the Secretary of Finance and Administration. The members are paid mileage and per diem by the municipality, unless the petition seeking annexation was filed by landowners in the territory proposed to be annexed and the territory is not ordered to be annexed. If both these conditions are met, the Commission is paid by the landowners signing the petition (§ 3-7-12).

If the Municipal Boundary Commission determines that the territory or a portion of the territory should be annexed, it orders the territory or portion of territory annexed; if the Commission decides that none of the territory should be annexed, it does not order the territory annexed (§ 3-7-15).

Within 10 days after the Municipal Boundary Commission makes its determination, the Secretary of Finance and Administration files certified copies of the Commission's order in the office of the Municipal Clerk and in the office of the County Clerk (§ 3-7-16). A copy is also transmitted to the Secretary of Taxation and Revenue.

Within 30 days after the order of the Municipal Boundary Commission is filed, any owner of land within the territory proposed to be annexed may file for review of the order by the district court (§ 3-7-15).

ANNEXATION IN A CLASS A COUNTY

The general annexation statutes do not apply to municipalities within a Class A county. Instead, the Metropolitan Boundary Act for Class A Counties (§§ 3-57-1 through 3-57-9) must be followed.
