Dear Resident,

Universal Waste Systems of New Mexico is the contracted solid waste service provider for the Village of Bosque Farms. Residential curbside solid waste collection is mandatory within the Village, pursuant to Ordinance 9-1, Section 6c.

Please fill out the form below when you are establishing or canceling water and sewer services. A UWS Customer Service Representative will contact you to complete the set up/cancellation process, provide important service information, and answer any questions you may have regarding your solid waste account. Cart roll out assistance is available to our elderly or handicapped customers who have no other assistance.
