Subject: New Year – New Beginnings

It is now 2021 and the start of the New Year! Most of us make a “resolution” or decision to have a better year than our last, especially after 2020.

Some people start out by working out more, eat healthier, read more or other life altering decisions.

No matter your personal resolution, stay with it. It is a decision that you have made and it matters the most to you for a reason.

We made a “resolution” as well. Officers are more visible in the communities to deter crime. Officers are stopping more vehicles looking for impaired drivers, narcotics and stolen vehicles. The officers are out in the community to “*Make a Difference*”.

Remember to drive safe and sober this year. We want all of our community to enjoy this New Year while being safe and healthy. If you see suspicious activity in your neighborhood, call our dispatch center so an officer can respond to investigate.

Do not put yourself in harm’s way for any reason.

Any questions or concerns you may have, please call our office at 869-2358. Should you require to speak with an officer, call Central Dispatch at 869-9130. If it is an emergency, call 911 for the best response time of an officer.
