PUBLIC SERVICE ANNOUNCEMENT

Date: July 21, 2021

It has been a sweltering summer so far with little rain to help. It will be August in a about a week so let's hope it cools off a little.

School resumes August 4th and with that means the kids will be out and about on their way to and from school. We would like to remind everyone of the school zones. There is one on the West Bosque Loop and of course NM Hwy 47 and Molina Rd.

We ask that you slow down and be aware of the children that are out walking or riding their bikes. We hope to see more children engaging in this activity since they have been cooped up for so long, they need to get out and stretch their legs.

The school zones begin at approximately 8:30 am and are active until approximately 9:05 am. In the afternoons the school zones area active from 3:20 pm to approximately 3:45 pm. Be aware of these times and prepare to slow down.

The school buses will be out as well picking up and dropping off children. Yellow flashers mean prepare to stop by slowing down, red flashers mean stop. You can not pass a school bus with active red flashers. They are picking up or dropping off children and it is a danger to them. When observed by officers you will be stopped and cited.

We wish all the children a safe and wonderful school year expanding their minds with the knowledge the teachers have to share.

As always, our officer number is **869-2358** for records and to leave a message for an officer.

If you need to make a police report or wish to speak with an officer sooner, call our Dispatch Center at **865-9130** or in case of emergency call **911**.

Andrew Owen
Chief of Police
