Subject: Traffic Safety

Now that it is finally starting to cool off, we are seeing more citizens walking and riding bicycles. This is great exercise and socialization.

There is a lot of vehicle traffic as well. We ask that everyone remain cordial and share the roadways. The Village of Bosque Farms has a wonderful multi-use path that sees a lot of traffic throughout the day. There are also pedestrians and cyclists on the side streets to travel to the multi-use path.

Drivers need to be aware and slow down, move over and possibly stop for the pedestrian traffic to pass. Pedestrians should also move off the roadway, when possible, to allow vehicles to pass by.

Cyclists should remember that when they are traveling on the roadways, they also need to adhere to traffic signage and signals. Cyclists are encouraged to use the multi-use path along the Bosque Loop.

Reminder to our equestrian community, the multi-use path is for cyclists and pedestrians only. Section 7-5-6 of the Village of Bosque Farms ordinances has the restrictions for the path and can be found on the Village website.

As always, contact Bosque Farms Police Department with any questions or concerns you may have. If it is an emergency, call 911 for the best response time for an officer.

Andrew Owen
Interim Chief of Police
